

RISK MINIMISATION PLAN - Strategies to Avoid Triggers (Prepared by Parents and Service)

- Anaphylaxis, asthma and first aid trained educators are on the premises at all times.
- The medical management plan, risk minimisation plan and medication are accessible to all educators. Discussions to explain where these items are kept are held with parents, educators and volunteers.
- The child’s and service medication is stored in the prescribed location for the room and service.
- The child’s medication will be checked to ensure it is current and has not expired.
- There is a notification of child at risk of anaphylaxis displayed in the front foyer with other prescribed information.
- The Nominated Supervisor will identify all children with specific health care needs, allergies or diagnosed medical conditions to all new educators, staff, volunteers and students, and ensure they know the location of the child’s medical management plan, risk minimisation plan and medication.
- Parents are required to authorise administration of medication on medication record, and educators will complete administration of medication record whenever medication is provided.
- A copy of parent’s authorisation to administer medication is attached to medical management plan and original filed in child file.
- The Nominated Supervisor will discuss with the parents of any allergens that pose a risk to the child.
- The service will display the child’s picture, first name, medication held and location, and brief description of medical condition on a poster/schedule in all children’s rooms and prominent places to alert all staff, volunteers and students.

Child Name:	Date of Birth: / /
Specific health care needs or diagnosed medical condition:	
Predominant Trigger/s (For example: eating certain food, using products containing certain foods, chemicals or other substances, temperature, dust, physical activity, exposure to certain animals or plants, mould, pollen, missed meals, etc). PLEASE LIST TRIGGERS THAT RELATED TO CHILD:	
Other Allergy Triggers:	

WWHS OSHC MEDICAL CONDITIONS RISK MINIMISATION & COMMUNICATION PLAN

What educators, staff and volunteers will do to minimise effect of triggers:

(For example: Service will be cleaned daily to reduce allergens; Service will use damp cloths to dust so it's not spread into the atmosphere, Child will be supervised to prevent movements from hot or warm environments to cold environments; Child will not feed pets; Educators to clean tables and floors of any dropped food as soon as practical; Child will be supervised while other children are eating and drinking; The child will only eat food prepared and bought to the service by the parents; The child's food items will be labelled clearly. Educators may refuse to give the child unlabelled food; Child to be seated a safe distance from other children when eating and drinking with an educator positioned closely to reduce the risk of the child ingesting other children's food or drinks, etc). **PLEASE NOTE THE RELEVANT RISKS, STRATEGIES AND WHO RESPONSIBILITIES IN THE TABLE BELOW.**

MEDICAL COMMUNICATION PLAN (Prepared by Parents and Service)

Child Name:	Date of Birth: / /
Specific health care needs or diagnosed medical condition:	

The following communication plan is prepared in accordance with regulation 90(1)(iii) to set out how: relevant staff members, parents and volunteers are informed about the medical conditions policy; and, the medical management and risk minimisation plans for the child; and a parent of the child can communicate any changes to the medical management plan and risk minimisation plan for the child.

Service

Educators:

- will complete an Incident, Injury, Trauma and Illness form and advise you when your child requires medication where this has not previously been authorised (for a specific day or time);
- may enquire about the child’s health to check if there have been any changes in their condition or treatment; and
- acknowledge a copy of the Medical Conditions Policy has been provided and is available in the service.

The Nominated Supervisor will:

- advise all new educators, staff, volunteers and students about the location of the child’s medical management plan, risk minimisation plan and medication as part of their induction;
- review the child’s medical management plan, risk minimisation plan and medication regularly at staff meetings, and seek feedback from educators about any issues or concerns they may have in relation to the child’s medical condition;
- regularly remind parents of children with health care needs, allergies or diagnosed medical conditions to update their child’s medical management plan, risk minimisation information and medication information through newsletters and information on parent noticeboards; and
- update a child’s enrolment and medical information as soon as possible after parents update the information.

Parents

Parents will:

- advise the Nominated Supervisor and educators of changes in the medical management plan or medication as soon as possible after the change, and immediately provide an updated medical management plan, medication and medication authorisation (if relevant);
- provide an updated medical management plan annually, whenever it is updated or prior to expiry;
- provide details annually in enrolment documentation of any medical condition;
- advise educators in writing on arrival of symptoms requiring administration of medication in the past 48 hours and the cause of the symptoms (if known); and
- acknowledge a copy of the Medical Conditions Policy has been provided and is available in the service.

Other comments: _____

I/we agree to these arrangements, including the display of our child’s picture, first name, medication held and location, and brief description of allergy/condition on a poster in all children’s rooms and prominent places to alert all staff, volunteers and students. Also the above information on forms is correct and current.
